

W07 Preparations

To-Do Date: Jun 3 at 10:59pm

Preparations:

To prepare for this week, begin thinking about the colors and fonts you'd like to use for your personal website. You will have assignments for both the rafting site and beginning your personal site site-plan this week, so a little preparation here will save you time later.

Resources

Color Palette:

<https://color.adobe.com/create/color-wheel> ➞

Fonts:

<https://fonts.google.com/> ➞

<https://www.fontsquirrel.com/> ➞

Logo/Images: (The logo and images are not required this week, but you might want to consider them so the colors coordinate with your palette. You can also use a pre-made logo or make one using Illustrator or other similar software.)
