Due May 24 by 10:59pm   **Points** 10   **Submitting** a text entry box or a file upload   **Attempts** 1   **Allowed Attempts** 3

Overview

- **Task**: Submit your Personal Website Proposal
- **Purpose**: Help the students choose a manageable personal website to be completed in the next 4 weeks.

Instructions

1. Submit a Personal Website proposal idea for your final project.
    1. The proposal should include the purpose of your website in 2-3 sentences and the intended audience.
2. You will receive a Complete or Incomplete grade within 72 hours.
    1. If your score is 10 then your proposal was approved and you may start working on the Personal Website Plan.
    2. If your score is 0 then your proposal is not approved, you will need to submit a new proposal. Reach out to your instructor for additional insight.

Information about your personal site that might be helpful to know as you start the site plan.

By the end of this course:

1. The personal site must consist of a home page and at least two child pages.

2. The website must be hosted on the web.

3. Each page of your Web site must satisfy the following requirements:

    3.1. Significant textual content consisting of appropriate content for your audience so that they can understand the meaning and message of this site.

    3.2. At least one image that relates to the content of the page.

    3.3. Working links to your two child pages.

    3.4. Be laid out and styled according to your site plan wireframes.

    3.5. Be visually appealing and easily readable.

Suggestions

You only have four (4) weeks to complete the Personal Website assignment so you need to choose something manageable such as:

1. Portfolio website to show future employers.
2. Information websites (such as information that would be in a pamphlet) for example event website for an upcoming event or something you are passionate about.
3. Small business service websites such as selling your services to create websites for small business owners.
4. You are more than welcome to come up with another idea. Don't limit yourself to just the list above. If you have questions, check with your instructor.

Not Approved Personal Site Plans include, but are not limited to:

- E-Commerce: banks, stores, Amazon
- External Data: any site requiring you to gather external data such as surveys.
- Databases
- Blogs
- Forums
